Association for Persons with Special Needs

MISSION

To equip persons with special needs, through best practices in education, training and support services, for open employment and life-long learning, in partnership with our stakeholders and the community

VISION

To be the premier organization that develops individuals with special needs to their fullest potential so that they can lead dignified, fulfilling and independent lives as integral members of society.

OBJECTIVES

- To cater for the needs of the mildly intellectually disabled
- To initiate, promote and stimulate research into their problems and conditions
- To stimulate and develop public awareness of the needs of these people
- To assist parents on problems relating to their education and development
- To encourage parents of such people to form groups and associations for mutual assistance and co-operation
- To raise funds, to purchase and own properties and to sell or alter or convert such properties for the purpose aforesaid
