STATEMENT BY EXECUTIVE COMMITTEE

The Executive Committee is responsible for the preparation and fair presentation of these financial statements in accordance with the provisions of the Charities Act, Cap 37, the Societies Act, Cap 311 and Singapore Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in circumstances.

In our opinion:

(a) the accompanying statement of financial activities, statement of changes in accumulated fund, statement of financial position, statement of cash flows and notes thereto are drawn up so as to give a true and fair view of the state of affairs of Association For Persons With Special Needs ("APSN" or the "Association") as at 31 March 2011 and of the results, changes in accumulated fund and cash flows of the Association for the reporting year then ended; and

(b) at the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

The Executive Committee approved and authorised these financial statements for issue.

On behalf of the Executive Committee

INDEPENDENT AUDITORS’ REPORT TO THE MEMBERS OF ASSOCIATION FOR PERSONS WITH SPECIAL NEEDS

(Registered in Singapore under the Charities Act, Cap 37 and Societies Act, Cap 311)

(Unique Entity No : S75SS0058K)

We have audited the accompanying financial statements of the Association For Persons With Special Needs (“APSN” or the “Association”) which comprises the statement of financial position as at 31 March 2011 and the statement of financial activities, statement of changes in accumulated fund and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Executive Committee’s Responsibility for the Financial Statements

The Executive Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Charities Act, Cap 37, the Societies Act, Cap. 311 and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair statement of financial activities and statement of financial position and to maintain accountability of assets.

Independent Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
INDEPENDENT AUDITORS’ REPORT TO THE MEMBERS OF
ASSOCIATION FOR PERSONS WITH SPECIAL NEEDS
(Registered in Singapore under the Charities Act, Cap 37 and Societies Act, Cap 311)
(Unique Entity No : S75SS0058K)

Opinion

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Charities Act, Cap 37, the Societies Act, Cap. 311 and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Association as at 31 March 2011 and of the results, changes in accumulated fund, and cash flows of the Association for the reporting year ended on that date.

Reporting on other legal and regulatory requirements

In our opinion,

(a) the accounting and other records required by the above regulations to be kept by the Association have been properly kept in accordance with those regulations;

(b) the fund-raising appeals held during the reporting year ended 31 March 2011 have been carried out in accordance with Regulation 6 of the Societies Regulation issued under the Societies Act and proper accounts and other records have been kept of the fund-raising appeals.

During the course of our audit, nothing came to our attention that caused us to believe that:

(a) The Association did not comply with the requirements of Regulation 15(1) of the Charities Act, Cap 37 (Institutions of Public Character) Regulations 2007 which states that the total fund-raising and sponsorship expenses of the Association exceed 30% of the total gross receipts from fund-raising and sponsorship for the period; and

(b) the use of donation money received is not in accordance with the Association’s objectives.

ASSOCIATION FOR PERSONS WITH SPECIAL NEEDS
(Registered in Singapore under the Charities Act, Cap 37 and Societies Act, Cap 311)
(Unique Entity No : 575SS0058K)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE REPORTING YEAR ENDED 31 MARCH 2011

1. ASSOCIATION INFORMATION

The Association for Persons with Special Needs (“APSN” or the “Association”) is registered in Singapore on 12 December 1975 under the Societies Act, Cap 311. The Association is also a charity registered under the Charities Act, Cap 37 and is an approved institution of public character under the Singapore Income Tax Act, Cap 154. The financial statements are presented in Singapore dollars.

The principal activities of the APSN are to provide education and training to persons with mild intellectual disability so that they have the necessary skills, attitude and personality to lead normal independent lives in adulthood.

The Association has its head office at 900 New Upper Changi Road Singapore 467354. The Association is domiciled in Singapore.

There are 1,201 (2010: 1,244) students and clients, and 330 (2010: 312) staff as at end of the reporting year.

The financial statements include the state of affairs and the results of the APSN and the following:
- Choa Yung School (“CYS”)
- Katong School (“KS”)
- Tanglin School (“TS”)
- Delta Senior School (“DSS”)
- Centre for Adults (“CFA”)

The financial statements of APSN for the reporting year ended 31 March 2011 are authorised for issuance by the Executive Committee on the date of the Statement by the Executive Committee.

The constitution of the Association restricts the use of fund monies to the furtherance of the objective of the Association. It prohibits the payment of dividends.

2. Summary of Significant Accounting Policies

Accounting Convention

The financial statements have been prepared in accordance with the Singapore Financial Reporting Standards (“FRS”) as well as all related Interpretation to FRS (“INT FRS”) as issued by the Singapore Accounting Standards Council. The Association is also subject to the provisions of the Charities Act, Cap. 37. The financial statements are prepared on a going concern basis under the historical cost convention except where an FRS require an alternative treatment (such as fair values) as disclosed where appropriate in these financial statements.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE REPORTING YEAR ENDED 31 MARCH 2011

2. Summary of Significant Accounting Policies (Cont’d)

Basis of Preparation of the Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires the Executive Committee to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenditure during the reporting period. Actual results could differ from those estimates. The estimates and assumptions are reviewed on an ongoing basis. Apart from those involving estimations, the Executive Committee has made judgements in the process of applying the Association’s accounting policies. The areas requiring the Executive Committee most difficult, subjective or complex judgements, or areas where assumptions and estimates are significant to the financial statements, are disclosed at the end of this footnote, where applicable.

Income Recognition

Income including donations, gifts and grants that provide core funding or are of general nature are recognised where there is (a) entitlement (b) certainty and (c) sufficient reliability of measurement. Such income is only deferred when: the donor specifies that the grant or donation must only be used in future accounting periods; or the donor has imposed conditions which must be met before the Association has unconditional entitlement.

(a) Grants

Grants to cover a particular expenditure or programme are accounted for as incoming resources upon receipt of notification of the grant award, which normally coincides with the year when the related expenses, for which the grant is intended to cover, are incurred. The corresponding asset (grants receivable account) is also recognised then. Grants received from Ministry of Education ("MOE") for the purchase of depreciable assets and refurbishment for school is taken to the deferred capital grants account. The deferred grants are recognised in the statement of financial activities over the years necessary to match the depreciation of assets to which the grants relate. A government grant is recognised at fair value when there is reasonable assurance that the conditions attaching to it will be complied with and that the grant will be received. Grants and government subvention receipts in recognition of specific expenses are recognised as income to match them with the related costs that they are intended to compensate.

Under the conditions of grant received, over or under funding from National Council of Social Services ("NCSS") and Ministry of Education ("MOE") are refundable to or from NCSS and MOE.

(b) Donation and corporate sponsorship

Income from donation and corporate sponsorship are accounted for when received, except for committed donations and corporate sponsorship that are recorded when the commitments are signed.

(c) Rendering of service

Rendering of services including school fees that are of short duration is recognised when the services are completed.

(d) Fund raising
2. Summary of Significant Accounting Policies (Cont’d)

Income Recognition (Cont’d)

(e) Other income

Interest income is recognised on a time-proportion basis using the effective interest rate that takes into account the effective yield on the asset. The income from sale of education materials and uniforms is recognised when significant risks and rewards are transferred to the buyer, the amount of income and cost incurred or to be incurred in respect of the transaction can be measured reliably.

Gifts In Kind

A gift in kind is included in the statement of financial activities based on an estimate of the fair value at the date of the receipt of the gift of the non-monetary asset or the grant of a right to the monetary asset. The gift is recognised if the amount of the gift can be measured reliably and there is no uncertainty that it will be received.

Employee Benefits

Contributions to defined contribution retirement benefit plans are recorded as an expense as they fall due. The Association’s legal or constructive obligation is limited to the amount that it agrees to contribute to an independently administered fund which is the Central Provident Fund in Singapore (a government managed retirement benefit plan). For employee leave entitlement the expected cost of short-term employee benefits in the form of compensated absences is recognised in the case of accumulating compensated absences, when the employees render service that increases their entitlement to future compensated absences; and in the case of non-accumulating compensated absences, when the absences occur. A liability for bonuses is recognised where the Association is contractually obliged or where there is constructive obligation based on past practice.

Income Tax

As a charity, the Association is exempt from tax on income and gains falling within section 130(1) of the Income Tax Act to the extent that these are applied to its charitable objects. No tax charges have arisen in the Association.

Foreign Currency Transactions and Functional Currency Transactions

The functional currency is the Singapore dollar as it reflects the primary economic environment in which the Association operates. Transactions in foreign currencies are recorded in the functional currency at the rates ruling at the dates of the transactions. The presentation is in the functional currency.
ASSOCIATION FOR PERSONS WITH SPECIAL NEEDS  
(Registered in Singapore under the Charities Act, Cap 37 and Societies Act, Cap 311)  
(Unique Entity No : S75SS0058K)  

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2011

2. Summary of Significant Accounting Policies (Cont’d)

Property, Plant and Equipment

Depreciation is provided on a straight-line basis to allocate the gross carrying amounts of the assets less their residual values over their estimated useful lives of each part of an item of these assets. The annual rates of depreciation are as follows:

- Leasehold improvement: over lease term of average 2 to 6.75 years
- Furniture, Fittings & Equipment: 5 years
- Computers: 1 year
- Motor Vehicles: 5 years

An asset is depreciated when it is available for use until it is derecognised even if during that period the item is idle. Fully depreciated assets still in use are retained in the financial statements.

No depreciation is provided on Building improvement in progress. Fully depreciated assets are maintained at a nominal value of $1 until they are no longer in use when they are written off.

Property, plant and equipment are carried at cost on initial recognition and after initial recognition at cost less any accumulated depreciation and any accumulated impairment losses. The gain or loss arising from the derecognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item and is recognised in the statement of financial activities. The residual value and the useful life of an asset is reviewed at least at each end of report year and, if expectations differ significantly from previous estimates, the changes are accounted for as a change in an accounting estimate, and the depreciation charge for the current and future periods are adjusted.

Items costing $1,000 or less are expensed off in the year of acquisition to the Statement of Financial Activities.

Cost also includes acquisition cost, any cost directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Subsequent cost are recognised as an asset only when it is probable that future economic benefits associated with the item will flow to the Association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of financial activities when they are incurred.

Reserves Management

The reserve of the Association is mainly the accumulated fund. APSN Executive Committee’s objective is to maintain an optimal balance in the accumulated fund to support the continuity of the activities of the Association and for future developments of the Schools and Centre for Adults. The Executive Committee monitors the level of the funds for working capital flexibility.

There were no changes in the Executive Committee’s approach to reserve management during the year. The Association is not subject to externally imposed capital reserve requirements.
ASSOCIATION FOR PERSONS WITH SPECIAL NEEDS  
(Registered in Singapore under the Charities Act, Cap 37 and Societies Act, Cap 311)  
(Unique Entity No :  S75SS0058K)  

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE REPORTING YEAR ENDED 31 MARCH 2011

2. Summary of Significant Accounting Policies (Cont’d)

Leased Assets

Leases where the lessor effectively retains substantially all the risks and benefits of  
ownership of the leased assets are classified as operating leases. For operating leases, lease  
payments are recognised as an expense in the statement of financial activities on a straight-  
line basis over the term of the relevant lease unless another systematic basis is  
representative of the time pattern of the user's benefit, even if the payments are not on that  
basis. Lease incentives received are recognised in the income statement as an integral part  
of the total lease expense.

Impairment of Non-Financial Assets

Irrespective of whether there is any indication of impairment, an annual impairment test is  
performed at the same time every year on an intangible asset with an indefinite useful life or  
an intangible asset not yet available for use. The carrying amount of other non-financial  
assets is reviewed at each reporting date for indications of impairment and where an asset is  
impaired, it is written down through the statement of financial activities to its estimated  
recoverable amount.

The impairment loss is the excess of the carrying amount over the recoverable amount and is  
recognised in the statement of financial activities. The recoverable amount of an asset or a  
cash-generating unit is the higher of its fair value less costs to sell and its value in use. In  
assessing value in use, the estimated future cash flows are discounted to their present value  
using a pre-tax discount rate that reflects current market assessments of the time value of  
money and the risks specific to the asset. For the purposes of assessing impairment, assets  
are grouped at the lowest levels for which there are separately identifiable cash flows (cash-  
generating units). At each end of the reporting year, non-financial assets other than goodwill  
with impairment loss recognised in prior periods are assessed for possible reversal of the  
impairment. An impairment loss is reversed only to the extent that the asset’s carrying  
amount does not exceed the carrying amount that would have been determined, net of  
depreciation or amortisation, if no impairment loss had been recognised.

Financial Assets

Initial recognition and measurement and derecognition of financial assets:

A financial asset is recognised on the statement of financial positions when, and only when,  
the Association becomes a party to the contractual provisions of the instrument. The initial  
recognition of financial assets is at fair value normally represented by the transaction price.  
The transaction price for financial asset not classified at fair value through profit or loss  
includes the transaction costs that are directly attributable to the acquisition or issue of the  
financial asset. Transaction costs incurred on the acquisition or issue of financial assets  
classified at fair value through profit or loss are expensed immediately. The transactions are  
recorded at the trade date.

Irrespective of the legal form of the transactions performed, financial assets are derecognised  
when they pass the "substance over form" based derecognition test prescribed by FRS 39  
relating to the transfer of risks and rewards of ownership and the transfer of control.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE REPORTING YEAR ENDED 31 MARCH 2011

2. Summary of Significant Accounting Policies (Cont’d)
Financial Assets (Cont’d)

Subsequent measurement:

Subsequent measurement based on the classification of the financial assets in one of the following four categories under FRS 39 is as follows:

1. Financial assets at fair value through profit or loss: As at end of the reporting year date, there were no financial assets classified in this category.

2. Receivables: Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Assets that are for sale immediately or in the near term are not classified in this category. These assets are carried at amortised costs using the effective interest method (except that short-duration receivables with no stated interest rate are normally measured at original invoice amount unless the effect of imputing interest would be significant) minus any reduction (directly or through the use of an allowance account) for impairment or uncollectibility. Impairment charges are provided only when there is objective evidence that an impairment loss has been incurred as a result of one or more events that occurred after the initial recognition of the asset (a ‘loss event’) and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated. The methodology ensures that an impairment loss is not recognised on the initial recognition of an asset. Losses expected as a result of future events, no matter how likely, are not recognised. For impairment, the carrying amount of the asset is reduced through use of an allowance account. The amount of the loss is recognised in the statement of financial activities. An impairment loss is reversed if the reversal can be related objectively to an event occurring after the impairment loss was recognised. Typically the trade and other receivables are classified in this category.

3. Held-to-maturity financial assets: As at end of the reporting year date, there were no financial assets classified in this category.

4. Available for sale financial assets: As at end of the reporting year date, there were no financial assets classified in this category.

Cash and Cash Equivalents

Cash and cash equivalents include bank and cash balances, on demand deposits and any highly liquid debt instruments purchased with an original maturity of three months or less. For the statement of cash flow the item includes cash and cash equivalents less cash subject to restriction and bank overdrafts payable on demand (if any) that form an integral part of cash management.
2. Summary of Significant Accounting Policies (Cont’d)

Financial Liabilities

Initial recognition and measurement:

A financial liability is recognised on the statement of financial position when, and only when, the Association becomes a party to the contractual provisions of the instrument and it is derecognised when the obligation specified in the contract is discharged or cancelled or expires. The initial recognition of financial liability is at fair value normally represented by the transaction price. The transaction price for financial liability not classified at fair value through profit or loss includes the transaction costs that are directly attributable to the acquisition or issue of the financial liability. Transaction costs incurred on the acquisition or issue of financial liability classified at fair value through profit or loss are expensed immediately. The transactions are recorded at the trade date. Financial liabilities including bank and other borrowings are classified as current liabilities unless there is an unconditional right to defer settlement of the liability for at least 12 months after the end of the reporting year.

Subsequent measurement:

Subsequent measurement based on the classification of the financial liabilities in one of the following two categories under FRS 39 is as follows:

1. Liabilities at fair value through profit or loss: As at end of the reporting year date, there were no financial liabilities classified in this category.

2. Other financial liabilities: All liabilities, which have not been classified as in the previous category fall into this residual category. These liabilities are carried at amortised cost using the effective interest method. Trade and other payables and borrowings are classified in this category. Items classified within current trade and other payables are not usually re-measured, as the obligation is usually known with a high degree of certainty and settlement is short-term.

Fair Value of Financial Instruments

The carrying values of current financial instruments approximate their fair values due to the short-term maturity of these instruments. Disclosures of fair value are not made when the carrying amount of current financial instruments is a reasonable approximation of fair value. The fair values of non-current financial instruments may not be disclosed separately unless there are significant differences at the end of the reporting year and in the event the fair values are disclosed in the relevant notes. The maximum exposure to credit risk is the fair value of the financial instruments at the end of the reporting year. The fair value of a financial instrument is derived from an active market or by using an acceptable valuation technique. The appropriate quoted market price for an asset held or liability to be issued is usually the current bid price without any deduction for transaction costs that may be incurred on sale or other disposal and, for an asset to be acquired or for liability held, the asking price.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE REPORTING YEAR ENDED 31 MARCH 2011

2. Summary of Significant Accounting Policies (Cont'd)

Fair Value of Financial Instruments (Cont'd)

If there is no market, or the markets available are not active, the fair value is established by using an acceptable valuation technique. The fair value measurements are classified using a fair value hierarchy of 3 levels that reflects the significance of the inputs used in making the measurements, that is, Level 1 for the use of quoted prices (unadjusted) in active markets for identical assets or liabilities; Level 2 for the use of inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices); and Level 3 for the use of inputs for the asset or liability that are not based on observable market data (unobservable inputs). The level is determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety. Where observable inputs that require significant adjustment based on unobservable inputs, that measurement is a Level 3 measurement.

Inventories

Inventories comprising educational materials and uniforms are measured at the lower of cost (first in first out method) and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. A write down on cost is made for where the cost is not recoverable or if the selling prices have declined. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Funds

Fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes if any by action of the Executive Management. Externally restricted funds may only be utilised in accordance with the purposes established by the source of such funds or through the terms of an appeal and are in contrast with unrestricted funds over which Executive Committee retains full control to use in achieving any of its institutional purposes. An expense resulting from the operating activities of a fund that is directly attributable to the fund is charged to that fund. Common expenses if any are allocated on a reasonable basis to the funds based on a method most suitable to that common expense.

Monies received where the Association is not the owner and beneficiary is accounted for as trust fund. The receipts and payments in respect of trust funds are taken directly to the statement of financial activities and the net assets relating to these funds are shown as separate line in the statement of financial position.

Provisions

A liability or provision is recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are made using best estimates of the amount required in settlement and where the effect of the time value of money is material, the amount recognised is the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as interest expense. Changes in estimates are reflected in the statement of financial activities in the period they occur.
2. Summary of Significant Accounting Policies (Cont’d)

Critical Judgements, Assumptions and Estimation Uncertainties

There were no critical judgements made in the process of applying the accounting policies that have the most significant effect on the amounts recognised in the financial statements. There were no key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting year, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting year.

3. Related Party Transactions

FRS 24 defines a related party as a person or entity that is related to the reporting entity and it includes (a) A person or a close member of that person’s family if that person: (i) has control or joint control over the reporting entity; (ii) has significant influence over the reporting entity; or (iii) is a member of the key management personnel of the reporting entity or of a parent of the reporting entity. (b) An entity is related to the reporting entity if any of the following conditions apply: (i) The entity and the reporting entity are members of the same group. (ii) One entity is an associate or joint venture of the other entity. (iii) Both entities are joint ventures of the same third party. (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity. (v) The entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity. (vi) The entity is controlled or jointly controlled by a person identified in (a). (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

A related party includes the members of the Association’s Executive Committee and Management Committee of the respective schools. Key management personnel include the principals, CFA centre head and heads of department.

It is not the normal practice for the trustees/office bearers, or people connected with them, to receive remuneration, or other benefits, from the Association for which they are responsible, or from institutions connected with the Association.

3.1 Inter- Schools/ Centre

There are transactions and arrangements between the schools and members of the group and the effects of these on the basis determined between the parties are reflected in these financial statements.

</tr>
</tbody>
</table>

Funding from MOE, NCSS / Tote Board and MCYS is on a “per capita” basis based on the number of students / clients enrolled during the year.

Effective 1st April 2008 NCSS’s 25% share of the operating grants for Delta Senior School students under the pre-vocational track are funded by the Singapore Totalisator Board (“Tote Board”). NCSS will continue to fund students under the non pre-vocational track.

Funding for Schools is from MOE and NCSS, for CFA is from NCSS and MCYS, and for Chaoyang Before and After School Care (“BASC”) is from Community Development Council Council (“CDC”).
NOTES TO THE FINANCIAL STATEMENTS
FOR THE REPORTING YEAR ENDED 31 MARCH 2011

4. Operating Grants Received (Cont’d)

MOE Secondment fund is a funding from MOE for the difference between the actual annual manpower costs of MOE seconded education officers and the manpower costs provided for Voluntary Welfare Organisation (“VWO”) Special Education (“SPED”) principals / teachers in the SPED schools’ operating grant.

MOE provides 2 new and fully funded grants each in FY2010/2011 to support;
1. the employment of an administrative manager at $72,008 per annum;
2. the preparation and implementation of vocational education in SPED schools.

The programme development fund was set up in FY1998/1999, comprises 50% of the unsolicited donations and actual school collected over budget up to a limit of 5% of the total actual operating expenditure. This fund is utilised for programmes to enhance the quality of teaching and learning and was capped at $500,000 at any one time under NCSS guideline.

During the year, the unutilised balance was transferred to accumulated fund to be used as operating fund after obtaining approval from NCSS.

</tbody>
</table>

The amount due to NCSS, MOE and MCYS comprises of adjustments and provision for over / (under) funding during the reporting years.

During FY 2007, there was an over funding from MOE for students more than 18 years old, MOE recovers the overpayment by offsetting $35,000 per quarter from the quarterly disbursements over a period of 4 years.

Effective 2008/2009, under the Outcome Funding Agreement ("OFA") with NCSS, operating grant from NCSS will be based on the actual student muster enrolment.
NOTES TO THE FINANCIAL STATEMENTS
FOR THE REPORTING YEAR ENDED 31 MARCH 2011

(a) Balance at beginning of the year
Add: Receipts
Less: Transfer to school fee income
Balance at end of the year

Edusave Pupils Fund is an advance from MOE for students' school fees.

26. Tax-Exempt Receipts

The Association enjoys a concessionary tax treatment whereby qualifying donors are granted 2.5 times double tax deduction for the donations made to the general funds of the Association. The status for general donations is for period 1 October 2007 to 30 September 2012. The status for Delta School Building Fund had expired on 30 December 2010.

</tbody>
</table>

**Financial liabilities:**
- Measured at amortised costs:
  - Other payables         | 1,599,150   | 1,507,217   |
  - At end of year         | 1,599,150   | 1,507,217   |

Further quantitative disclosures are included throughout these financial statements.
27. Financial Instruments: Information on Financial Risks (Cont’d)

27B. Financial Risk Management

The main purpose of the financial instruments is to raise and manage finance for the Association’s operations. The main risks arising from the Association’s financial instruments are credit risk, interest risk, liquidity risk and foreign currency risk. The financial instruments comprise cash and bank balances, interest bearing fixed deposits, receivables and payables.

The Executive Committee has certain strategies for the management of financial risks. These guidelines set up the short and long term objectives and action to be taken in order to manage the financial risks. The major guidelines are the following:

1. Minimise interest rate, currency, credit and market risk for all kinds of transactions.
2. Maximise the use of “natural hedge”: favouring as much as possible the natural off-setting of payables and receivables denominated in the same currency. The same strategy is pursued with regard to interest rate risk.
3. All financial risk management activities for the investments are carried out by the Finance & Investment Sub-Committee.
4. All financial risk management activities are carried out following good market practices.

27C. Fair Values of Financial Instruments

The financial assets and financial liabilities at amortised cost are at a carrying amount that is a reasonable approximation of fair value.

27D. Credit Risk on Financial Assets

Financial assets that are potentially subject to concentrations of credit risk and failures by counterparties to discharge their obligations in full or in a timely manner consist principally of cash balances with banks, cash equivalents and receivables. The maximum exposure to credit risk is: the total of the fair value of the financial instruments; the maximum amount the entity could have to pay if the guarantee is called on; and the full amount of any loan payable commitment at the end of the reporting year. Credit risk on cash balances with banks and any derivative financial instruments is limited because the counter-parties are entities with acceptable credit ratings. Credit risk on other financial assets is limited because the other parties are entities with acceptable credit ratings. For credit risk on receivables an ongoing credit evaluation is performed on the financial condition of the debtors and a loss from impairment is recognised in profit or loss. The exposure to credit risk is controlled by setting limits on the exposure to individual customers and these are disseminated to the relevant persons concerned and compliance is monitored by the School Management Committee.

As disclosed in Note 13, cash and cash equivalents balances represent short-term deposits with a less than 90-day maturity.

Other receivables are normally with no fixed terms and therefore there is no maturity.
27. Financial Instruments: Information on Financial Risks (Cont’d)

27E. Liquidity Risk

The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. All financial liabilities of the Association are due within one year.

The average credit period taken to settle trade payables is about 30 days (2010: 30 days). The other payables are with short-term durations.

The Association has sufficient cash balances to support cash commitments from their existing liabilities. Accordingly, the Association utilised minimum banking facilities.

27F. Interest Rate Risk

The interest rate risk exposure is mainly from changes in interest rates on interest bearing fixed deposits. The interest rate risk on financial assets and financial liabilities is not significant.

27G. Foreign Currency Risk

There is no exposure to foreign currency risk.

28. Commitments

At the end of the reporting year, the total of future minimum lease payment commitments under non-cancellable operating leases are as follows:

<table>
<thead>
<tr>
<th></th>
<th>2011</th>
<th>2010</th>
</tr>
</thead>
<tbody>
<tr>
<td>Rental of Equipment</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Within one year</td>
<td>22,752</td>
<td>23,677</td>
</tr>
<tr>
<td>After one year but not more than 5 years</td>
<td>46,985</td>
<td>70,899</td>
</tr>
<tr>
<td></td>
<td>69,737</td>
<td>94,576</td>
</tr>
<tr>
<td>Rental Expense</td>
<td>23,640</td>
<td>26,297</td>
</tr>
</tbody>
</table>

The operating lease payments are for rentals payable for photocopier machine. The lease rentals terms is for an average of five years:

b. Land Rental

<table>
<thead>
<tr>
<th></th>
<th>2011</th>
<th>2010</th>
</tr>
</thead>
<tbody>
<tr>
<td>Within one year</td>
<td>1,922,997</td>
<td>2,192,549</td>
</tr>
<tr>
<td>After one year but not more than 5 years</td>
<td>1,978,982</td>
<td>723,519</td>
</tr>
<tr>
<td></td>
<td>3,901,979</td>
<td>2,916,068</td>
</tr>
<tr>
<td>Rental Expense</td>
<td>2,593,760</td>
<td>2,190,260</td>
</tr>
</tbody>
</table>

The operating lease payments are for rentals payable for the land. The land lease with Singapore Land Authority (SLA) is for an average of 3 years and 6.75 years for the schools and Centre for Adults respectively and is fully funded and paid by MOE for the Schools directly by SLA, and is funded by MCYS for CFA.
28. Commitments (Cont’d)

The land lease rental terms are negotiated for an average term of 3 years and 6.75 years and rentals are subject to an escalation clause but the amount of the rent increases is not to exceed a certain percentage. Such increases are not included in the above amounts.

c. Capital Commitment

<table>
