ISSUE NO 2 | TERM 2 | 2021

FROM THE

PRINCIPAL'S DESK

Dear Parents and Guardians,

The school has successfully completed Term 1.

We thank you for your trust in our care for the well-being of all our students and staff. We appreciate your support in ensuring that the school remains a safe place for learning.

In this newsletter, we share with you the key events in Term 1, as well as, the students' learning and how they see their roles in keeping Singapore safe.

In Feb, we are proud to see that the Total Defence posters created by the students became teaching and learning resources for all the students in the school.

On 1 Mar, the student leaders took the Prefect's Pledge, led by Head Prefect Sheyzad.

We are also heartened by your active participation in our first Webinar for parents in 2021. We hope that with the calendar of webinars, you can plan ahead to join us for the learning sessions, specially crafted for you.

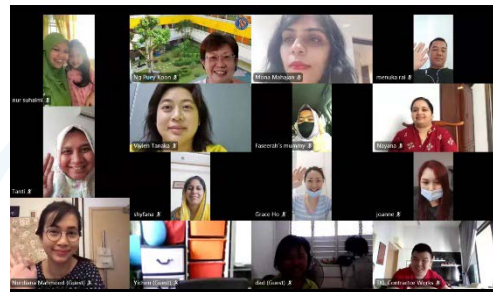

We look forward to having your continued support to provide memorable experiences and bring out the best in our students, your children.

TOGETHER, WE MAKE A DIFFERENCE

Term 1 gave us the opportunity to connect and interact with parents via our webinar – Integrated Learning and Curriculum. The webinar provided key insights in not only understanding the foundation of our curriculum, but how it plays a key role in your child's journey in Katong School. We strongly encourage all parents to join us for our webinars and partner us in your child's journey.

We hope our sharing and networking sessions will provide you with a platform to not only equip yourself with necessary strategies and knowledge, but to be able to help you better understand your child's needs. We look forward to your participation in the next webinar.
