

Holiday Projects – Facebook Article by MOE

Ulfah Bariah

Syahmi

Bryan

Our colleagues at the **Association for Persons with Special Needs - APSN Katong School** shared some interesting projects that their students have planned for the year-end holidays. For Ulfah, Bryan and Syahmi, they are looking forward to trying new things – besides spending time on some schoolwork and their hobbies. Check out these snapshots showing how they plan to have a productive and enjoyable holiday with their families.

Read more about their holiday projects here:
