

Community in Bloom Singapore Gardeners' Cup Gold Award

A joyous and celebratory afternoon for our APSN Tanglin School (TS) horticulture team, who clinched the Community in Bloom Singapore Gardeners' Cup Gold award!

Under the guidance of Mr. Andy, Senior Lead Instructor of Vocational Education at APSN TS, together with Timothy, our passionate instructor assistant at APSN TS (a former student of APSN TS), and not forgetting the hard work and effort invested by our horticulture students, this led our team to victory today! We are certainly looking forward to more budding horticulture leaders in the making soon!
