

Play Inclusive 2022

On 27 August and 17 September, 14 Katong Secondary students and 2 staff participated in the Play Inclusive 2022 Soccer and Basketball competitions.

This year, our students partnered with our satellite school, Bedok View Secondary School (BVSS), and underwent training sessions together prior to the competition.

This promotes inclusion through shared sporting experiences among them and provides an opportunity to display teamwork.

The KS/BVSS team came in 1st in Basketball Mixed (13-15) division, 2nd in Soccer Boys (16-18) division, and 3rd in Soccer Mixed (13-15) division.
