A P S N 18th Ngee Ann Polytechnic Photographic Exhibition

Our Secondary 1 student, Azra Ufairah Bte Hafizur Rahman, participated in the 18th Ngee Ann Polytechnic Photographic Exhibition. Her photograph, "Window to the Past," serves as a powerful visual narrative that showcases the enduring beauty of the Tiong Bahru estate.

It invites viewers to reflect on the past while appreciating the resilient spirit of the nation. Through her lens, Azra showcases her keen eye for detail and the ability to evoke a sense of nostalgia and admiration. We applaud Azra for her creativity, perseverance and remarkable achievement.
