

Reminder on HBL - 15 Feb 2024

HBL develops students' ability to be self-directed, passionate and life-long learners. All assignments will be on the Student Learning Space (SLS), with teachers available from 8am to 9am for attendance and check-ins. For more information on SLS, refer to the User Guide at this link:  [2024 \(User Guide\) Accessing SLS.pdf](#).

Contact the Form Teachers for assistance if needed; they can telecommute with you. Your support in nurturing your child/ward's independence in learning is greatly appreciated.

Thank you.
