

*Three teams, one big performance and unlimited energy!*

22 students from APSN Katong School's Show Choir and Circus Arts CCA collaborated with Bedok View Secondary School's National Cadet Corps (NCC) for a joint performance at the Extra.Ordinary Celebration 2025, graced by President Tharman Shanmugaratnam. The performance featured a combination of choral, precision drill and circus elements, presented for the first time as a collaborative effort between the two schools.

*Our Circus Arts students opened the performance with a spectacular act, tossing and balancing large balls with energy and flair!*

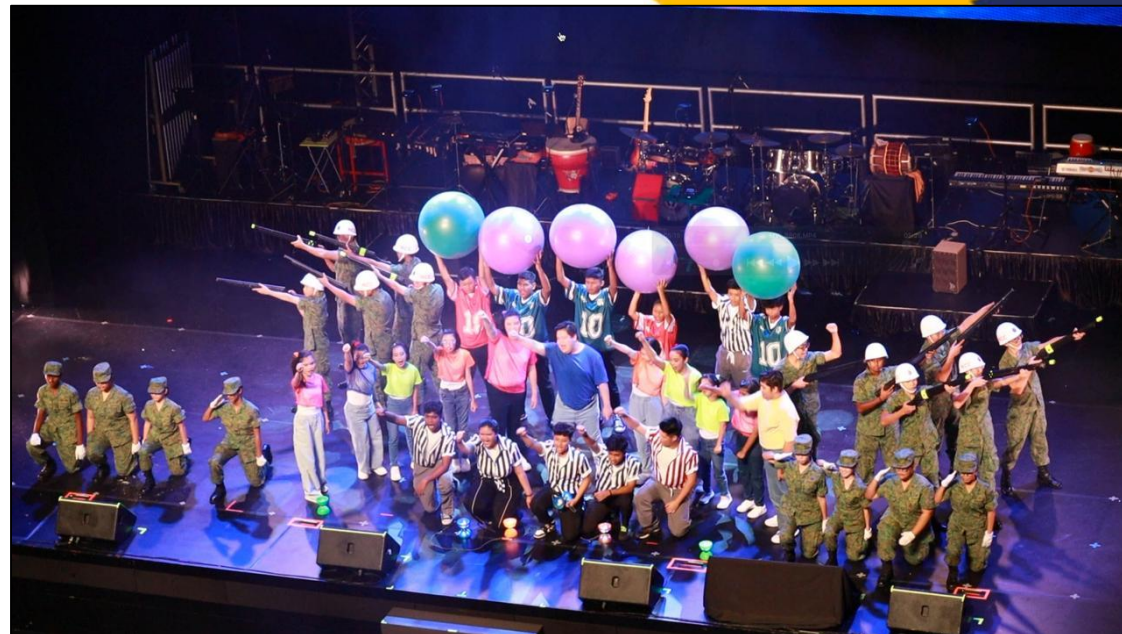

*Our Show Choir students light up the stage with their vibrant singing and energetic dance moves!*

*Playing the diabolo takes a lot of concentration and precision. Every throw and catch counts!*

*We ended our performance with a bang!*
