

Digital Arts & Photography students participated in the Canon Active Day Carnival at OCBC Square.

Students from the Digital Arts & Photography Co-Curricular Activity (CCA) participated in the Canon Active Day Carnival at OCBC Square on 1 Aug 2025.

Held in conjunction with the SG60 celebration, the event aimed to promote active living, teamwork and community spirit through a series of station games and physical activities. Our students took part in the activities alongside other participants, contributing positively to the vibrant and inclusive atmosphere of the event.

The event kicked off with an energizing “Dance to the Nation” session led by ActiveSG dance instructors.

Syafinawaty and Ryan proudly represented APSN Katong School during the closing ceremony, leading the National Anthem and reciting the Singapore Pledge on stage.

Despite the hot weather, our students remained upbeat and resilient throughout the day.
